

Residential Datasets

Cordell's Residential and accommodation development data sets include deep dive data on projects including construction of units, apartments, townhouses and villas, residential subdivisions, rural subdivisions and master plan communities. Retirement villages and seniors units are also available.

Data is available covering all construction within a set geographic area, or you can tailor your solution to niche subsets which can be delivered nationally, or within smaller defined territories.

► Residential

Or subsets available as:

- ◆ Units, apartments, flats, townhouses, villas
- ◆ Student & group accommodation
- ◆ Military housing & accommodation, military colleges

► Plus Civil Engineering subsets may be of interest

Offices

- ◆ Residential subdivisions
- ◆ Rural subdivisions
- ◆ Master plan communities/mini city
